The JDS Project offers Master's Degree and Doctor's Degree courses at Japanese Universities. JDS Fellows will get a special opportunity for directly learning the forefront knowledge in the technological environment as well as for building the wide human networks. This promotional seminar will enable the participants to know about the JDS project, details of the eligibility, and list of requirements for the JDS 22<sup>nd</sup> Batch.

To know more about the eligibility and information of the scholarship program, kindly visit <https://jds-scholarship.org/country/philippines/index.html>. Please be informed that the JDS Philippines application is not yet officially open. The DENR will disseminate the memorandum invitation as soon as we receive an official invitation from the JDS Philippines.

For your information.
