

November 20, 2023

FELIX S. MIRASOL, JR.
Regional Executive Director
DENR MIMAROPA Region
Roxas Boulevard, Ermita
Manila, 1000

Dear Director Mirasol, Jr.:

Greetings in pursuit of agricultural excellence!

We are pleased to invite two (2) representatives from the Mindoro Biodiversity Corridor (EMBC) Project Management Unit to participate in the upcoming **Biodiversity Corridor GEF 6 Component 3.2 Workshop to Finalize Maps and Sustainable Land Management (SLM) Technology Recommendation for Exemplar Sites**. The workshop will occur on **November 28-30, 2023** at **El Vistra Hotel, Angeles City, Pampanga**.

The objectives of this workshop are to finalize the Sustainable Land Management (SLM) exemplar site farm development maps, devise SLM technology recommendations for the exemplar sites, and draft an aligned budgetary requirement for the 2024 Establishment of the SLM exemplar sites.

Your participation in this workshop would greatly benefit the map outputs that will be produced. We look forward to having your expertise in this field as they would contribute to developing effective and sustainable land management practices.

We would also appreciate receiving your confirmation using the attached slip on or before November 24, 2023, via email at bswmcmd.bdcorridorgef6@gmail.com. Should you have further clarifications, your staff may contact **Engr. Marvin Emmanuel R. Plaza** at 0916-788-5325 or email at the same email address above.

We look forward to your participation in this event.

Respectfully yours,

GINA P. NILO, Ph.D.
Director
