**SUBJECT: SUBMISSION OF 2ND AI FOR THE PROPOSED MOMPONG RIVER RESTORATION PROJECT
IN SABLAYAN, OCCIDENTAL MINDORO**

Dear **Honorable Joe Amil Salino:**

Greetings!

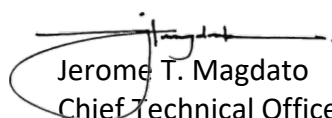

We, at GreenDevelopment Sustainable Solutions, Inc., on behalf of Bird's Nest Resources Corporation, extend our sincere gratitude for facilitating the 1st Environmental Impact Assessment Review Committee (EIARC) Meeting on November 22, 2023, for the Mompong River Restoration Project. In response to the Additional Information (AI) Request from the esteemed members of the EIARC, we have diligently revised the Environmental Impact Statement (EIS) report to incorporate the requisite information. To that end, we are pleased to submit the following documents:

1. Revised EIS Draft Report and Annexes
2. Additional Information (with Response and Page References)
3. Revised Executive Summary (English and Filipino)
4. PresMat for the Public Consultation
5. List of Invitees
6. Letter of Invitation signed by Proponent

For any questions, kindly reach us through either Mr. Steve Taule at [+639155627782](tel:+639155627782) (tauleteb02@gmail.com) or Mr. Jerome Magdato at [+639176226590](tel:+639176226590) (japs.magdato@greendevsolutions.com). We look forward to your feedback and guidance in our pursuit of responsible project development.

Thank you very much.

Very truly yours,

Jerome T. Magdato
