Dear **Director Mirasol, Jr.:**

wpd is a German company that develops and operates wind farms and solar parks and is actively engaged in 29 countries around the world including the Philippines; head office is in Bremen, Germany. We are currently expanding our project pipeline in the Philippines by exploring onshore renewable energy projects in various regions across the country.

In line with this, we would like to request from your good office the following data that would help us in our site search and feasibility study:

- 1. Land Classification Map / Forest Land Shapefile (including Production Forest and Protection Forest)**
- 2. National Greening Program Shapefile**
- 3. Existing Tenurial Instruments Shapefile**
- 4. Political Boundaries Shapefile**

Please feel free to contact us through **Ms. Mary Chie T. Eduba** at **m.eduba@wpd.ph** or at **0956 475 8339** if you have any clarification on our request.

We hope for your prompt response to our inquiries. Thank you.

Very truly yours,

HERO SUMAGAYSAY

Director
