Dear **RD Mirasol, Jr.**;

Greetings of Peace and Solidarity!

The Earth is our Common Home, and the responsibility to protect and nurture it must be taken upon by all peoples regardless of generation, creed, or economic background. We recognize the reality of an existing climate and ecological crisis manifested in the struggle of people worldwide against extreme weather events, degradation of natural resources through slow-onset climate-related effects, and increased threats to biodiversity, health, and security.

As the nation celebrates Climate Change Consciousness Week, National Environmental Awareness Month, National Clean Air Month, and the National Day for Youth in Climate Action, the **Alpha Phi Omega - National Committee on Environment** in partnership with the **National Youth Commission (NYC)** would like to **request your office to be one of our Institutional Partners** for the conduct of the **NATIONAL SYNCHRONIZED MANGROVE and ENDEMIC TREES TREE GROWING ACTIVITY** with the theme: **"Reinforcing the Youth's Role in Stewardship of Biodiversity for Climate Stability"** on **November 25-26, 2023**, at **Sagpangan, Aborlan, and Sofronio Española, Province of Palawan**.

Further, we would like to **request you to be one of our esteemed guests** and for the **DENR MIMAROPA Regional Office for an advisory or endorsement** for this momentous environmental gathering.

Should you have further queries, you may text/call 09178993961 / 09150185065 or email us at apophenvicomm@gmail.com

Looking forward to fighting for ecological justice, standing up for our future, and taking back the Earth with you today, tomorrow, and beyond!
