To: DENR MIMAROPA Region IV-B

Dear Sir/Madam;

Please see attached file for the letter request for the above subject.

**PERRC**

October 27, 2023

DIR. FELIX S. MIRASOL, JR. CESO IV
OIC, REGIONAL EXECUTIVE DIRECTOR
3rd fl., 1515 DENR by the Bay Bldg.,
Roxas Boulevard, Brgy. 668, Ermita, Manila
Email: mimaroparegion@denr.gov.ph

Re: Request for Clarification of Project Coverage

Dear Dir. Mirasol,

We are reaching out to seek clarification on a particular element in the Memorandum of Agreement (MOA) between the Department of Environment and Natural Resources (DENR) and PERRC, specifically concerning the Navigational Shoreline Dredging Zone.

Upon reviewing the MOA, we have discerned that the text of the agreement appears to encompass or reference the Pagbahan River "delta". Given the environmental and operational significance of the river delta, obtaining a precise interpretation of its inclusion is crucial for our operations and compliance.

To offer context, the MOA outlines that the Navigational Shoreline Dredging Zone extends over an area of 31.43 hectares, with a daily sand extraction limit of 13,000 m³. The zone's boundaries are meticulously defined by specific corner coordinates. For further reference, We have attached the Amended Environmental Compliance Certificate (ECC-R4B-2211-0014 – ECC Amendment) as Annex "A".

With the above in mind, our central inquiry pertains to the status of the Pagbahan River delta within this zone. We kindly solicit your office's clear guidance on whether the river delta is indeed encapsulated within the jurisdiction of the Navigational Shoreline Dredging Zone as detailed in the MOA.

Your prompt and definitive response will significantly assist us in maintaining strict adherence to the MOA's stipulations. This, in turn, ensures the fortification of a seamless and collaborative relationship between PERRC and DENR.

Should you require further information or clarification, please do not hesitate to contact me directly at homer.alinsug@gmail.com or 0920-9591013.

Thank you for your time and understanding. I look forward to your valued feedback.

Warm regards,

ATTY. HOMER S. ALINSUG
