To: Felix S. Mirasol
OIC, Regional Executive Director

I hope this letter finds you in good health and high spirits. We are Ella Mae Morales, and Rica Mae Ilaya, and we are currently enrolled in **Technological University of the Philippines - Manila** pursuing a degree in **BS Architecture**. We are writing to request your kind permission to allow us access to the **Department of Environment and Natural Resources** to gather essential information and data for our ongoing thesis research.

Our thesis, titled "**Urban Revitalization through Sustainable Rubber Tree Industry Complex in Pinamalayan, Oriental Mindoro,**" aims to explore innovative strategies for urban revitalization by promoting sustainable practices in the rubber tree industry. We believe that Department of Environment and Natural Resources' resources and expertise would greatly contribute to the success of our research.

We kindly request permission to access the Department of Environment and Natural Resources facilities, databases, and any relevant documentation that can aid our research. Additionally, we are open to any guidelines or procedures you may have in place to facilitate our visit. We understand the importance of the data protection and confidentiality policies at Department of Environment and Natural Resources and assure you that all information obtained will be handled with the utmost care and confidentiality.

Thank you for considering our request. We are more than willing to provide any necessary documentation or meet in person to discuss our research objectives and how the Department of Environment and Natural Resources' resources can contribute to our study. Your cooperation and support are invaluable to us, and we eagerly await your positive response.

Thank you for your time and consideration.

Sincerely,
