Subject : Request for assistance for the care and protection of a native deer at
Barangay Tiguion, Gasan, Marinduque

Sitio Talao,

Dear President Bong bong,

We came across a news item with pictures of a native deer roaming within the vicinity of Sitio Talao, Barangay Tiguion in Gasan, Marinduque. This is a rare incident of a deer, a healthy deer, coming out from the forest to mingle with people. The deer is so friendly with people as if it was raised in captivity. In this regard, may we respectfully request for whatever assistance may be available from your end and for us to be able to provide protection and care of this lovely animal.

In relation to the above and to augment the dwindling number of deer in our forest, may we ask for your assistance for us to be able to secure some pair of deer from existing deer farm in Mt. Isarog in Bicol, Gov. Suarez Deer Farm in Quezon and Senator Angara's deer farm in Aurora. We have, in the past, requested them but to no avail. Maybe with your help they may be able to spare some for us.

Thank you for your kind attention.

Very truly yours

For Good Government.

PEDRITO "Toto" M. NEPOMUCENO

Former Mayor- Boac

Former Board Member-Marinduque

An Advocate of Good Government

Note: Pardon me for addressing the above matter straight to the President. The reason is that we get positive action when coursed thru the OP rather than directing the issue straight to the concerned agency.
