Greetings.

In compliance with DENR Memorandum dated October 11, 2023 from the Director for Knowledge and Information Systems Service (KISS) of the DENR Central Office on the implementation of complex and strong password for active directory and information system accounts, please be informed that this Office updated and hardened the passwords of all the currently implemented In-house Developed and Central Office-Based Systems following the prescribed combinations set by the DENR Central Office.

Likewise, this Office is and will always be proactive in enhancing our cybersecurity measures being set and implemented by the Department.

For information and record.

Kindly acknowledge upon receipt. Thank you.
