Dear Sir/Madam:

The 18-Day Campaign to End Violence Against Women and their Children (VAWC) supports the Philippine government's goal of protecting the human rights of women and girls by upholding its commitment to address all forms of gender-based violence as enshrined in the 1987 Constitution. By virtue of Republic Act 10398 or the Act declaring November 25 of every year as the National Consciousness Day for the Elimination of VAWC, government agencies are mandated to raise awareness on the problem of violence and the elimination of all forms of violence against women and girls.

The DENR Gender and Development (GAD) Office commits to build the capacities of the officials, technical and administrative personnel of DENR Bureaus, Attached Agencies, Regional Offices down to the Provincial and Community Environment and Natural Resources Offices concerned on GAD-related concerns. In line with the 18-day Campaign to End VAWC, the DENR GAD National Focal Point System in partnership with FORA Communication, urges maximum attendance to the GAD Webinar Series beginning October 12 until November 16, 2023. Please see the series of GAD Webinars by the FORA Communications attached as ANNEX A.

The FORA Communications is a non-government organization, which provides several webinars related to various topics on Gender and Development (GAD) and on the 18-Day Campaign against Violence Against Women and their Children (VAWC). The said webinars have a training fee of P336.00 (inclusive of VAT) per webinar, payable directly to FORA Communications (gad@fora.ph) in order to receive a digital Certificate of Participation. Those that do not need digital Certificates of Participation may attend the webinars free of charge.

To promote awareness and highlight the significant participation, effort and support of DENR management and personnel in addressing GAD-related concerns, recognition awards will be given to selected DENR Bureaus, Attached Agencies and Regional Offices with the highest percentage of participation (see Annex B for the mechanics).

For more information about the Recognition Awards, please communicate through the DENR GAD Office at denr.gad@denr.gov.ph and (02) 8928-1194. You may directly contact the FORA Communications for more information about the series of GAD Webinars gad@fora.ph or +639988826501 or +639474431992 .

The widest participation of our offices is hereby enjoined.
