Good day, Sir or Ma'am.

I am Dianna Marqueses, Permitting Compliance Officer of PHDM Resources, Inc. (PRI), the authorized operator of Lebach Mining Corporation's (LMC) Mineral Production Sharing Agreement (MPSA), denominated as MPSA No. 285-2009-IVB (Amended). With an aggregate contract area of 2,573.33 hectares and is situated in the barangays of Ipilan, Barong-Barong, Mambalot, and Aribungos in the municipality of Brooke's Point, province of Palawan,

In reference to the operation of LMC and PRI, we are respectfully requesting a copy of the cadastral map incorporating the boundary of the tenement area. We initially coordinated with CENRO Brooke's Point in the same concern, and as advised by them, we should coordinate with your office in our request as there's no available soft copy of the cadastral map.

I am also attaching the letter for the complete details of the request. Please see the attached file for your reference.

If there's any concern about this matter, please let me know.

Thank you.

Sincerely,

ENGR. DIANNA G. MARQUESES
