To: denr8888mimaropa@yahoo.com, DENR Mimaropa Region <mimaroparegion@denr.gov.ph>

**To DENR MIMAROPA,**

Greetings in the Name of St. Thomas Aquinas!

We are a group of students from the University of Santo Tomas who presented our thesis entitled "*An Investigation of the Accumulation Capabilities of Timonius sp. and Its Allied Species at Sibuyan Islands Ultramafic Sites in the Philippines*" last August 24, 2023, during the quarterly meeting of DENR MIMAROPA and PAMB held in Zoom. Attached in this email is a copy of the resolution sent by Ms. Penuliar from PAMB which is a requirement for our wildlife permit collection. Thank you so much for your patience! We will be acquiring the permit by Wednesday (October 18, 2023) po since we were not able to do so today because of the transport strike. Once again, thank you and have a nice day!

**Best Regards,**

*Kim Beatriz, Portia Beltran, Njell Camaya, Leizel De Guzman, Dominique Perlas*

**BS Biology, Major in Medical Biology Students**
