

List of Other Planning-Programming References and Tools

Agencies are expected to consider the following in their submission of priority programs and projects (PAPs) for the updating of the Public Investment Program (PIP) 2023-2028:

- A. **Regional Development Council (RDC) endorsement and inclusion in the Regional Development Investment Programs (RDIP).** All RDC-endorsed and national government-implemented PAPs under the RDIP, which meet the criteria for inclusion in the PIP should be submitted by the agencies.
- B. **Harmonized Gender and Development Guidelines (HGDG) for investment programming.** The agencies shall use the sector-appropriate HGDG checklist for project development, implementation, monitoring and evaluation in the preparation of the Agency PIP. The guide and the generic/sectoral HGDG checklists can be accessed through this link: <https://neda.gov.ph/gender-and-development/>.
- C. **Disability-inclusive development.** When applicable, agencies should integrate disability-sensitive measures into the design, implementation, monitoring and evaluation of development policies and PAPs. A reference material with brief discussion on the “twin-track approach” on addressing disability-related concerns, including its mainstreaming in plans, policies and programs, can be accessed through this link: <http://bit.ly/30uZSfw>.
- D. **Good governance and rights-based approach (RBA) to investment programming.** Agencies shall ensure the priority PAPs’ consistency with the principles of good governance: (1) rule of law and fairness; (2) inclusiveness; (3) participation, openness and transparency; (4) performance orientation and accountability; (5) leadership and stewardship; (6) ethics and probity; and (7) service orientation and responsiveness. It shall also be guided by rights-based parameters, principles and standards to promote inclusive, equitable and sustainable development towards the achievement of our long-term vision or AmBisyon Natin 2040.

The agencies are recommended to follow pertinent guidelines from the Good Governance Toolkit and RBA questionnaire in the screening and selection of priority PAPs for inclusion in the PIP updating. The checklists can be accessed through the following links:
