**RE: APPEAL TO THE DECISION OF PHRMPSB**

Sir:

Greetings in conservation!

This is to formally request for the reconsideration on the decision made by the Regional and PENRO Romblon HRMPSB Committee on the conducted evaluation and screening last October 5, 2023 regarding the undersigned application for the Supervising Ecosystems Management Specialist (OSEC-DENR-SVEMS-69-2014) with Salary Grade 22 at the DENR PENRO Romblon Technical Services Division.

Based on the letter dated October 9, 2023 and duly received by the undersigned dated October 16, 2023, it is mentioned that the application was not entertained by the screening committee due to following reasons namely quantum leap (four steps) and considering that there is next-in-rank applicant.

Based on the DENR Implementing PENRO Organizational Structure under Technical Services Division where the vacancy exists, after salary grade 18, the next salary grade is already 22 while in the Management Services Division, after salary grade 18, the next salary grade is already 24.

With this, I respectfully request to reconsider the decision of the Board and further include me in the long list of qualified applicants for the Supervising Ecosystems Management Specialist position.

Thank you very much and hoping for your reconsideration.

Very truly yours,

  
**RAYMUND G. INOCENCIO**
