Dear **Mayor Bayron**:

This has reference to the ongoing project of the Department of Environment and Natural Resources - Climate Change Service (DENR-CCS) entitled **Harnessing Cities' Share in the Implementation of Climate Change Mitigation Measures**.

In this regard, we would like to invite you and/or your designated representatives to attend the **Training - Workshop on Setting-up City-level GHG Emission Reduction/target and Climate Action Planning** to be held on **October 10 to 12, 2023 at Park Inn by Radisson North EDSA, SM City North, Quezon City**. The indicative schedule of activities and registration links are provided in **Annex A**.

Considering the technical nature of the subject matter, we would like to request your staff/staff members who attended last year's activities to attend the said training/workshop. In case these staff/s are not available for the scheduled training/workshop, we encourage technical staff who have in-depth and comprehensive knowledge of the availability and accessibility of internal and external data that may be relevant for the conduct of community-level GHG emissions inventory of the city to attend on their behalf.

We would request for the assigned representatives to confirm their participation on or before **06 October 2023** through the online registration form at <https://bit.ly/GHGEBatch2> and answer the [Pre-Training Assessment \(https://bit.ly/HarnessingPreTest\)](https://bit.ly/HarnessingPreTest).

In line with this, the city participants are requested to prepare and bring available actual data, laptop, and completed worksheets from last year's coaching session, for the training/workshop. The actual data may include city-level electricity data, transport fuel, waste treatment, disposal data, etc.

For any questions and or clarifications, you may coordinate with DENR Climate Change Service through our office landline at 8928-1194 and email address ccs@denr.gov.ph.

We are hoping for your positive response regarding this matter. Thank you for your usual support and cooperation.
