Dear SIBOL,

We respectfully request that you include the Bureau of Fisheries and Aquatic Resources (DA-BFAR) in workshops and activities related to National Accounts, such as stocktaking workshops on coral reefs, as well as in geospatial mapping and law enforcement activities related to fisheries. As well as your continuous support of the E-SEAMS rollout with BFAR in the FMA scale.

We believe that the inclusion of DA-BFAR would be beneficial to all parties involved. DA-BFAR has a wealth of expertise and experience in the management of coastal and offshore fishery resources. Participation in these workshops and activities would allow us to share our knowledge and insights, and to learn from the other participants. This would help to ensure that the workshops and activities are as informative and productive as possible.

We would be grateful if you would consider our request. Thank you.

Dear SIBOL Project Steering Committee Members,

Good Day!

First and foremost, we would like to extend our gratitude and appreciation for your continuous support and guidance to the DENR-Biodiversity Management Bureau in the implementation of the United States Agency for International Development Sustainable Interventions for Biodiversity, Oceans and Landscapes (SIBOL) Project.

As agreed upon during the 2nd SIBOL Project Steering Committee Meeting last August 30, 2023 at Linden Suites, Ortigas, Pasig City, please find the attached revised SIBOL Year 4 Workplan for your initial review and endorsement. As

a partner of SIBOL in project implementation, it is important for us to know that your Office has received a copy of the Workplan. We would like to kindly request you to acknowledge receipt of the attached version of the Workplan and receive your feedback until **October 02, 2023 (Monday)**. In compliance with the workplan submission timeframe of SIBOL and provided that the previous version of the Workplan has received provisional endorsement from the PSC members during the meeting, the attached version of the Workplan shall be endorsed to USAID after this date should we receive no further comments from your end.

In addition, attached is the PSC meeting documentation for your reference. For inquiries, you may contact Ms. Alexa Lasch of USAID SIBOL at [alasch@ph-sibol.org](mailto:alasch@ph-sibol.org) | 0917 512 0257 or Ms. Frances Brillo of DENR-BMB at [frances.brillo@bmb.gov.ph](mailto:frances.brillo@bmb.gov.ph) | 0916 980 2559.

Thank you for your usual support and we look forward to your feedback and valuable inputs.
