Call for Participants — Onsite Training Seminars in Applied Statistics November 2023

The University of the Philippines (UP) School of Statistics, in collaboration with the University of the Philippines Statistical Center Research Foundation, Inc. (UPSCRFI), is pleased to announce our onsite training seminars this November 2023:

- (1) Basic Statistics with Exploratory Data Analysis (8-10 November);
- (2) Introduction to R and Data Management Using the Tidyverse Ecosystem (15-17 November);
- and
- (3) Applied Statistical Forecasting (23-24 November)

These modules aim to equip participants with the foundation in understanding Statistics, with the basics in using R, one of the most popular platforms in doing statistical analysis, and approaches of statistical forecasting. Details of the training seminars are attached in this letter for your reference.

Faculty members of the UP School of Statistics with wide-ranging consulting and research experience will serve as resource persons. Certificate of completion will be awarded to participants upon successful completion of a module.

The training seminar fee for each module per participant is Php 10,000. This includes materials, lunch, snacks, and use of laboratory facilities. Interested individuals and groups may fill out the form found in this link: bit.ly/UPSS-November2023-Trainings. Full payment or completion of the conforme form is required to secure a slot for the training. Payments are non-refundable for no show participants. Discounted rates are available for individuals who will register for at least two modules, and for groups of at least 10 participants. Guidelines on the discounted rates are attached in this letter for your reference.

Payment details will be provided after accomplishing the registration form.

Thank you very much. We look forward to seeing you in one of our training seminars!

Yours sincerely,

(sgd.) Czarinne Antoinette A. Antonio
Director, Office for Extension Services and External Linkages
UP School of Statistics

Endorsed by:

(sgd.) Prof. Joseph Ryan G. Lansangan, PhD
Dean, UP School of Statistics
Executive Director, UP Statistical Center Research Foundation, Inc.
