Dear Ms. Carino,

This pertains to your letter dated February 28, 2023 requesting for 100% inventory of trees, map of the area in connection with your intent to apply for Special Use Agreement in Protected Areas (SAPA), Protected Area Zoning Certification and Easement Certification.

Please be informed that on May 9, 2023 and July 27, 2023, a team from this office together with personnel from CENRO Taytay, Palawan conducted inspection, delineation and 100% inventory of forest trees within your applied area for SAPA located at Seven Commando, Brgy. Buena Suerte, El Nido, Palawan. Results of the fieldwork were forwarded to CENRO Taytay, Palawan for their endorsement to DENR PENRO and Regional office as the issuance of PA zoning is within the authority of the Regional Executive Director per DENR Administrative Order No. 22-10 dated May 30, 2022.

May we also remind you of the Notices of Violations and Order to Vacate previously issued to you on the structures within easement as it will affect the issuance of the Easement Certification which is also a requirement for the SAPA application. Kindly inform this office of your compliance.

Please feel free to communicate with ENMRPA PAMO if you have additional queries, we will be glad to assist you.

Thank you very much.

Sincerely,
