**Subject:** Shapefile for Philippine Administrative Boundaries - Barangay Level

Good day!

I am Althea Atienza, a 4th-year Civil Engineering student from De La Salle University. As part of my research, I would like to ask if there are available and updated shapefiles for the Administrative Boundaries in the Philippines, particularly the Barangay level?

If so, would it be possible to have a copy of these shapefiles?

Hoping for your immediate and favorable response.

Sincerely,  
Althea Atienza
