Dear **Sir/Mesdame:**

In line with the Department's goal of strengthening the environmental governance, the Training and Development Division (TDD) of the Human Resource Development Service (HRDS) conducted various Environment and Natural Resources (ENR) Academy Courses such as the Supervisory Course Class 305-Almaciga with thirty-four (34) learners, Specialized Course on Environmental Law Enforcement Class 608-Masidkali with twenty-six (26) learners, and the Specialized Course on Geographic Information System (GIS) Class 609-Matikas with thirty-one (31) learners. The ENR Academy is committed to equipping our personnel with necessary knowledge, skills and attitude for them to perform their respective tasks effectively, thus paving the way for better service delivery. Further, the Academy is dedicated to strengthening the frontline services and supporting the priority programs of the Department.

After satisfying of all the requirements of the above-mentioned Courses, the HRDS will be holding the annual ENR Academy Graduation Rites of Class 2023 with the theme, "Celebrating Our Journey: Transforming Passion into Environmental Leadership." The activity aims to recognize graduates and top performers of classes, as well as the Officials, Resource Speakers, FOE Mentors and Panel Members who significantly contributed to the success of the Program.

Thus, it is with great honor that we respectfully invite you to grace the said occasion on 13 November 2023, 9:30 AM at the 2nd Floor, DENR Social Hall, Quezon City. Your presence will highlight the significance of the achievements of the graduates, as an inspiration and motivation to make significant contributions in the conservation, protection, management, and sustainable development of the environment and natural resources.

We will appreciate a response by submitting the reply slip at our email address: hrds-tdd@denr.gov.ph. For questions and clarifications, you may contact For. Wilson E. Henson, Chief of the Training and Development Division, at 8426-3852, 8248-3367 loc. 1065/1066.

Thank you for your continued partnership in enhancing the competencies and capacities of the department's workforce towards a greener and sustainable future.
