DIR. FELIX S. MIRASOL, JR. CESO IV

Regional Director, Region IV-B MIMAROPA

Department of Environment and Natural Resources

1515 Roxas Boulevard, Ermita, Manila

Dear Dir. Mirasol,

Good Day!

I am ATTY. BERNARD VINCENT C. PULIDO, General Manager for JSA, Inc, a company engaged in Landscape Maintenance, Implementation, and Tree Care Services mostly in Central Luzon. On behalf of the company, we would like to inquire for the possibility of obtaining Mindoro Pine Seedlings from your good office, which we intend to further propagate and possibly plant in our areas. At the very least, we are very interested in visiting your PENRO field office to learn from your programs and technology with regards to Mindoro Pines.

Looking forward to your favorable consideration.

Sincerely,

ATTY. BERNARD VINCENT C. PULIDO

General Manager
