**MEMORANDUM**

FOR : The Director  
Ecosystem Research and Development Bureau  
College, 4031 Los Baños, Laguna

FROM : The OIC, PENR Officer

SUBJECT : REQUEST FOR DATA NEEDED IN THE PREPARATION OF  
TECHNICAL REPORTS OF LUMINTAO WATERSHED  
CHARACTERIZATION AND VULNERABILITY  
ASSESSMENT INCLUDING ITS COASTAL VULNERABILITY  
ASSESSMENT[P-2023-00010353]

Respectfully forwarded is the Memorandum dated September 27, 2023 of CENRO San Jose, Occidental Mindoro requesting your office to provide data needed by their office in the preparation of technical reports of Lumintao River watershed characterization and vulnerability assessment including its coastal vulnerability assessment.

Relative thereto and in connection to the required data needed under the existing guidelines in the preparation of reports, the following data are requested by CENRO San Jose for them to generate the Thematic Maps of the subject Watershed, to wit:

1. Storm/Typhoon;
2. Rainfall amount(mm);
3. Sea level exposure by 2050;
4. Tidal range;
5. Table computation (coastal) in excel form; and
6. Rainfall Data(PAG-ASA\_PREC-MHEP)

Attached is the GIS generated maps showing the geographic location of Lumintao River Watershed for your ready reference. For further queries please contact the email address of CENRO San Jose, Conservation and Development Section(CDS) at [cdscenrosanjose@gmail.com](mailto:cdscenrosanjose@gmail.com) or Forester Orlino B. Gacuan at CP N). 09268924627.

For your information, consideration and approval.

For and in the absence of PENRO,

  
**CELSO B. ALMAZAN**  
Chief, TSD/Office In-Charge

CDS-TSD 10/03/2023
