Felix S. Mirasol, Jr., CESO IV

OIC-Regional Executive Director

DENR-IV B, MIMAROPA

Roxas Boulevard, Brgy. 668, Ermita, Manila

Dear **DIRECTOR MIRASOL:**

Our office is scheduled to conduct various R&D projects (processing, anatomical, physico-mechanical, chemical, treatability, etc.) on some tree plantation species (TPS) for CY 2024-2025.

In this connection, may we request your assistance in sourcing and collecting 15 trees of Teak, with at least 25cm dbh from the plantation of private tree farmers within your area of jurisdiction.

Our log sample collection team headed by Engr. Jovito A. Elec and For. John Vincent V. Ravanzo will coordinate with your office on matters concerning our request.

Thank you for your usual support to our research activities.

Very truly yours,

ROMULO T. AGGANGAN, PhD, CESO III
Director

"Providing R&D and techno-transfer services in the use of wood and non-wood forest products"
