Dear Dir. Claudio:

The Philippine Statistics Authority Regional Statistical Service Office (PSA RSSO) MIMAROPA, pursuant to Presidential Proclamation No. 647, "Declaring the Month of October of Every Year as the National Statistics Month (NSM)," has been conducting activities in relation to NSM. This year's celebration is intended to promote and poster awareness of the importance of statistics and most especially to enhance the statistical literacy of our stakeholders and the youth in terms of our official statistics, through the conduct of the 2nd MIMAROPA Data Festival.

In connection with the above-mentioned, PSA RSSO MIMAROPA will conduct its 2nd MIMAROPA Data Festival to highlight the role of statistical data at the regional level. It is a two-day event to be participated by various state universities and colleges, national government agencies, local government units, private organizations, and the media. The regional data festival includes presentations and open discussions, exhibits, games, and contests. The conduct of the activity represents the initiative of the PSA community to disseminate quality statistics and promote a responsive body that can provide and communicate timely, accurate and useful data for its stakeholders and the public.

With this, may we respectfully invite one (1) representative from your agency to participate in the 2nd MIMAROPA Data Festival on 19 – 20 October 2023 in Calapan City, Oriental Mindoro. Your representative may join in the Infographics Making Contest. Attached are the confirmation slip and guidelines of the contest.

Further details on the exact venue and the program of activities will be emailed once confirmed and finalized.
