Good day Director Mirasol,

Greetings! I am Merry Rose Delarmente, a fifth-year student pursuing a Bachelor of Science degree in Architecture at the Technological Institute of the Philippines. I am reaching out to seek your assistance regarding my research project, which requires data and information that may be available in your office. I have attached an endorsement letter for your reference, outlining the purpose of my research and how it will contribute to the growth and justification of my proposal.

I am in great need of your support as this is my second attempt to successfully complete my thesis. Unfortunately, during the previous semester, I was unable to pass due to insufficient data and information. Your kind consideration and assistance would be immensely appreciated.

Thank you in advance, Director Mirasol.  
May God bless you, and I wish you a wonderful day ahead.

Best regards,

Merry Rose R. Delarmente
