MEMORANDUM

FOR : All Regional Executive Director
All DENR Regional Offices

FROM : The OIC-Assistant Secretary for Field Operations-Western Mindanao
and Director in concurrent capacity

SUBJECT : **PRESCRIBED STATUS MONITORING FORM FOR THE TURN
OVER AND DISPOSITION OF LOGS FROM APPROVED TREE
CUTTING PERMITS.**

DATE : SEP 26 2023

This pertains to the turn over and disposition of logs derived from approved tree cutting permits issued by the DENR Regional Field Offices pursuant to the provisions of DAO 2003-18 dated 17 June 2003 "Amendment to Section IX of DENR Administrative Order No. 2000-11 Re: Disposition of Forest Products" and DAO 2022-10 dated 30 May 2022 "Revised DENR Manual of Authorities on Technical Matters".

To facilitate monitoring and updating of records, including status of disposition, the Regional/Field offices are advised to utilize the attached prescribed status monitoring form containing relevant information for proper accounting of logs turned over to DENR. Moreover you are advised to submit a Regional Consolidated Report on a quarterly basis to this Office for monitoring purposes.

We are reiterating our advice that the Region/PENRO/CENRO may dispose logs turned over by the permittees within the limits of your authority pursuant to the provisions of DAO 2003-18 dated 17 June 2003. This is to alleviate the shortage in capacity of log/lumber stockpile areas and to prevent the deterioration of economic value of the turned over logs/lumber.

FOR INFORMATION AND FURTHER APPROPRIATE ACTION, PLEASE.

ARDEIGH J. ADORABLE, CESO III
