SUBJECT: PETITION TO STOP QUARRY OPERATION AT NITROGLANAN RIVER

DATE: AUGUST 18, 2023

Sir,

This is in connection with the "Quarry Operation" going on at Nitroglanan River which cause apprehension to Nitroglanan Residents where said river flooded and exposed a big pile of trees. Such apprehension caught our attention as Barangay Officials and prompted us to visit the Nitroglanan River Bank and witness the status of the big pile of trees. We also noticed how gravel and stones are quarried that when quarry activity continues.... Not only trees will slide down subsequently but lives and properties will be lost.

Thus, we let this petition reach your office for proper action. Below are names and signatures as proof of this initiative.
