Hi DENR-MIMAROPA,

Our company, Mainstream Renewable Power Philippines Corporation was recently awarded by the Department of Energy (DOE) with a Wind Energy Service Contract (WESC) to study and explore an area in Occidental and Oriental Mindoro for a possible wind energy project.

In line with this, we would like to request for the barangay and political boundary maps, and cadastral maps of four municipalities, namely Abra de Ilog, Puerto Galera, Baco and San Teodoro in Occidental and Oriental Mindoro for us to determine the land classification and boundaries of the area.

Attached in this email is our formal letter of request, and the shapefile of the WESC service area awarded to us.

We trust your positive feedback on this request.

If you have any queries or clarifications, please do not hesitate to email us or through the numbers below.

Thank you and kindly acknowledge receipt of this email.
