Dear Sir/Madam:

The ICT Literacy and Competency Development Bureau (ILCDB), the training arm of the DICT, develops, and promotes, ICT capacity development initiatives implemented throughout the country. The Bureau is also mandated to assess, review, and support ICT research and development programs in the government, as such we are conducting a comprehensive Reassessment Survey. Comprising of both a Competency Needs Assessment (CNA) and a Training Needs Analysis (TNA) which will reassess the current ICT competencies of the Government Workforce; identify any digital skill gaps that may be hindering job performance; and develop and deliver relevant and appropriate training programs to address these gaps.

In order to facilitate this activity, may we request for your assistance in encouraging staff from the Central and Regional Offices of your agency to answer the attached questionnaires. The insights gathered will be instrumental in shaping policies and initiatives that directly respond to ICT capacity-building needs within our communities.

Further, we would appreciate that your agency provide at least 40 respondents that have answered the survey, please use this link: REASSESSMENT QUESTIONNAIRE FOR GOVERNMENT WORKFORCE (NGA & LGU) 2024: <https://tinyurl.com/ReassessmentGW>

We respectfully request that all responses be submitted by August 15, 2024, at 12:00 noon.

Should you have any questions or require further information, please do not hesitate to contact the Educational Program Management Team at ilcdb_epmd@dict.gov.ph.

Your cooperation in this critical endeavor is greatly appreciated. We look forward to your valuable input on this important initiative.

Attached is the signed letter from DICT MIMAROPA Regional Director Emmy Lou V. Delfin.

Regards,

BENJIE FAJARITO

ILCDB MIMAROPA Regional Focal
