Good day, Sir Rene and EIARC Members.

The proponent has submitted the first EIS draft for the above-titled project in response to the provided TOR during the Technical Scoping held on 01 September 2024.

*The submission was facilitated by the EIA Preparer, **GRIDS**.*

Attached are the documents relative to the submission.

Moreover, may we know your most available schedule for conducting the Technical Review.

Thank you and regards

Good Afternoon Sir John,

Following the Technical Scoping conducted on 01 September 2023 and the receipt of the technical scoping checklist on 18 March 2024, we are pleased to submit the **Environmental Impact Assessment (EIA) Report for the Bagtingon Small Reservoir Irrigation Project (BSRIP)** for your perusal.

As instructed, we have prepared a separate PDF document for each chapter of the report, along with a single integrated EIA report. On the attached technical scoping checklist, we have already indicated the corresponding page number per section/chapter for your reference, signed by both the proponent and the preparer representative. We will be submitting the **original copy on Thursday, 11 July 2024**, in order to proceed with the payment for the processing fee. Please see below links to the reports.

- **BSRIP - EIA Transmittal Letter**
- **Technical Scoping Checklist**
- **BSRIP - EIA Report**
 - **Documentary Requirements**
 - **Executive Summary**
 - **Chapter 1** : Project Description
 - **Chapter 2** : Key Environmental Impacts & Management / Monitoring Plan
 - **Chapter 3** : Environmental / Ecological Risk Assessment
 - **Chapter 4** : Impact Management Plan
 - **Chapter 5** : Social Development Framework (SDP) & IEC Framework
 - **Chapter 6** : Environmental Compliance Monitoring
 - **Chapter 7** : Emergency Response Policy and Generic Guidelines
 - **Chapter 8** : Abandonment / Decommissioning / Rehabilitation Policy
 - **Chapter 9** : Institutional Plan for EMP Implementation

Regarding the documentary requirements, particularly the Proof of Compatibility with the existing Land Use Plan, NIA will be providing us with a zoning certificate. The request is currently being processed by the Buenavista MPDO. We

will forward this document to you once it is received from NIA. Thank you!

We appreciate your attention to this matter and look forward to your feedback.

Respectfully,

Mikaella C. Morada

Junior Environmental Management Specialist
