Dear **ALL**,

Isang Makakalikasang araw!

This pertains to the directive of the DENR Secretary during the Regional Executive Directors' Meeting on 12 July 2024 on the development of Protected Area (PA) Primer. In this regard, the BMB, in collaboration with the Forest Foundation Philippines (FFP), will be assisting your region in the development of PA Primer of the following:

1. Apo Reef Natural Park
2. Bulusan Volcano Natural Park
3. Samar Island Natural Park
4. Sarangani Bay Protected Seascape
5. Agusan Marsh Wildlife Sanctuary

With this, may we request your concurrence on the selected PAs in your respective regions on or before August 5, 2024. Moreover, the detailed guidance and template for the Primer is currently being finalized by the Bureau and the FFP. For the meantime, kindly prepare the following information about the PA :

1. PA profile
2. Ecosystem services in the PA
3. Threats to the PA and its people
4. Conservation and management strategies implemented, as well as successful partnerships and collaborations

Attached in this email is the signed memorandum requesting for concurrence for your reference.

Thank you.

Best regards,

Caves, Wetlands and other Ecosystems Division
