Good day!

In line with the intent of the BNRC to apply for an ECC and the conducted **Technical Scoping meeting** on **30 June 2023**, the said proponent submitted their 1st EIS draft for the ALAG and Longos River Restoration Project.

Relative hereto and in preparation for the technical review, this Office would like to request your comments on the 1st Submission of the Environmental Impact Statement (EISs) of the concerned projects.

Attached herewith are the EIS documents of the two river systems.

Should you have any clarification pertaining herein, please feel free to contact us through this email.

Thank you for your usual cooperation and support of the EIA system.
