Dear Sir/Madam,

Good day.

Respectfully forwarded is a follow-up Memorandum signed by Director Al O. Orolfo of the DENR-Foreign Assisted and Special Projects Service regarding the abovementioned subject.

Dear Mesdames and Sirs:

We would appreciate receiving the duly accomplished PINs for the Carrying Capacity Studies (Coron & El Nido) as soon as possible. I was informed by the GGGI focal that there is a funding window available for this type of technical study. However, please note that the documents/PINs need to be submitted to the GGGI HQ by the GGGI PH Country Office before **31 January 2024** to be considered for processing.

In order to facilitate the internal process to officially endorse the PINs by the DENR, please submit the PINs of the proposed Studies seeking funding support before the end of this week, **19 January 2024 (Friday)**.

For your kind understanding and consideration.

Thank you.

Sincerely,

Department of Environment  
and Natural Resources

Dear Ma'am/Sir,

We would like to follow up our request for the submission of project Idea Note using GGGI template which was attached to the memorandum signed by Director-FASPS (forwarded to your office last 4 December 2023), in order for us to act accordingly on your request for funding by the development partner/donor.

Your prompt response on our request is highly appreciated.

Thank you,
