MEMORANDUM

TO : The PENROs, Occidental and Oriental Mindoro

ATTENTION : The Coordinator, Tamaraw Conservation Program
All CENROs
The PASUs, MIBNP and MCWS

FROM : The Regional Executive Director

SUBJECT : **ORIENTATION ON THE SPECIAL PROJECT ENTITLED
"RESEARCH ON THE META-POPULATION OF TAMARAW
IN MINDORO"**

Please be informed that this Office through the Tamaraw Conservation Program (TCP) will be implementing a 2-year project entitled "*Research on the Meta-Population of Tamaraw in Mindoro*" commencing this year until 2022. The project is being funded by Foreign Assisted and Special Project Service (FASPS) amounting to P2,000,000.00, with fund for CY 2021 recently downloaded per SAA No. CO-R4B-101-2021-08-557 dated August 26, 2021.

The project will cover the entire Mindoro Island especially its inner Mindoro range in search of the remaining population of Tamaraw in the island. The project will cover two (2) major parts, to wit:

1. Island-wide identification and mapping of the Tamaraw locations and habitats
2. Meta-population monitoring thru identification of appropriate count methods suitable to a range of habitat types

Foregoing considered, may we invite you or your technical personnel including planning and finance/budget officers to attend the virtual orientation via Zoom on _____ at 1:00 PM.
