SUBJECT : **2022 ENVIRONMENT MONTH CELEBRATION OF CENRO
QUEZON, PALAWAN**

I. BACKGROUND

Presidential Proclamation No. 237, series of 1998 declares every month of June of every year as Philippine Environment Month in consonance with the United Nations General Assembly Resolution No. 2994 declaring the 5th of June of every year as World Environment Day.

This yearly environmental celebration calls for various stakeholders including the public and private sectors, government agencies and its instrumentalities to support and cooperate in the month-long environmental observance towards the protection, conservation and proper management of the environment and natural resources.

With this year's theme, "*Aksyon Para sa Natatanging Mundo*", the DENR launched different activities such as "Pistang Pamilyang DENR and HR @ UR Service" carried out nationwide to demonstrate the commitment of the Department to its mandate.

Likewise, as expression of continued commitment, CENRO Quezon, Palawan which covers three (3) municipalities within its territorial jurisdiction also conducted activities anchored on same environmental objectives in celebration of Philippine Environment Month.

II. HIGHLIGHTS

The following were the activities undertaken by this Office in observance of Philippine Environment Month CY 2022, to wit:
