ATTY. EMELYNE V. TALABIS

Acting Director, Land Management Bureau
Department of Environment and Natural Resources
880 F.R. Estuar Bldg., Quezon Avenue
Brgy. Paligsahan, Quezon City

Dear Atty. Talabis,

Greetings!

The Honorable Congressman has always been vocal with his desire to help the constituents of the Third Legislative District of the Province of Palawan through a bill seeking to declare several parcels of public land over the said jurisdiction, as alienable and disposable for agricultural and other purposes. In connection with this, and in order for the office to fully support the passage of the said bill, may I respectfully pray from your good office for the latest data pertaining to the City of Puerto Princesa & Municipality of Aborlan, Palawan, as follows:

1. Total Land Area
2. Total Area of Forest Land
3. Total Area Classified as Alienable and Disposable
4. Total Area Existing for Agricultural Use
5. Total Area Existing for Residential Use
6. Total Area Existing for Industrial/ Commercial
7. Total Area Existing as Reservations both Civil and Military

The said data being requested shall be most beneficial in order for the Honorable Congressman to persuade the Congress that there is a necessity to pass the proposed bill into law as it has been almost a decade that the first similar bill was filed in Congress and several similar bills has been filed later but none of the bills have reached the Office of the President for approval.

In view of this, I humbly ask for your office's assistance in providing the requested information. In order to facilitate the speedy communication pertaining to this matter, may I humbly request that the response to this letter be sent through our official e-mail account: 3rdDistrictOffice.Palawan@gmail.com and kindly cc ora.law@yahoo.com.

Thank you and I am hoping for your kind and considerate response on this matter.

Sincerely yours,

ATTY. ALYZZA MAE S. ORA
