RECEIVED

Please be informed that on January 31, 2022, at around 12:30 PM, PMF Roderick S. Villanueva from PAMO Satellite Office received a mobile phone call from a concerned citizen from Barangay Malibago, Torrijos regarding an alleged illegal cutting of Gmelina trees at Sitio Sinambahan of the said barangay. Accordingly, the said incident occurred within the private lot of Mrs. Minda Olores. That upon received of the information, PMF Villanueva relayed it to FPO Michael Rocha through mobile phone call after we proceeded to the said area to verify.

Upon on our arrival in the area, the team coordinated with the Barangay Captain Sabino Rojo in relation with the investigation. It is said that the complainant was Mr. Allan Antero Naranjo Jr. He complained that the previous tenant of Mrs. Minda Olores, who is Mr. Jimmy Opis, cut down the Gmelina Trees as a compensation for his effort in planting the said trees around the property without obtaining permission and legal documents to do so.

During the investigation, we found the tree stumps, two (2) abandoned round logs, and 10 pieces of lumber cut into various sizes: seven (7) pieces of 2"x 6" x 7', one (1) piece of 2"x 6"x 4' and two (2) pieces of 2"x 2"x 7' with the total volume of 57.6 board feet. The stump, logs and lumbers were measured by BPA Ireneo P. Villanueva together with the team. The said forest products were hauled using the Barangay Service Vehicle (Chariot) and temporary placed at the Barangay Hall of Malibago under the Barangay's Custody for safekeeping.

Considering that the origin of the said forest product is within Alienable and Disposable land, it is ~~by~~ recommended that this case be referred to the Monitoring and Enforcement Section (MES) of the Technical Services Division for further investigation and appropriate action. Please find attached pictures, apprehension receipt and location map for references.
