Natural Resources Office

**SUBJECT :** **CONSOLIDATED APPREHENSION REPORT OF CENRO  
BROOKE'S POINT, PALAWAN FOR THE SECOND QUARTER OF  
CY 2022**

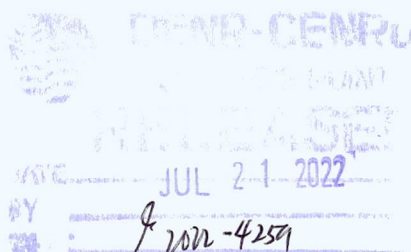

Respectfully submitted herewith is the consolidated apprehension report of Enforcement and Monitoring Section personnel of this Office. This is in compliance/justification to the actual accomplishment as compared to the target volume of apprehension of undocumented forest products for the 2<sup>nd</sup> Quarter based on the Approved Work and Financial Plan for CY 2022.

As per reports submitted, a total of **1,058.32** board feet of undocumented forest products (lumber and timber) were apprehended by the Joint Operation of personnel of Brooke's Point MPS-PNP and Palawan PPO Provincial Intelligence and Patrol Base II Lada Monitoring station of DENR-CENRO, Brooke's Point based on the record the total apprehended Forest product is equivalent to **55.9%** of the total target for the quarter which is **1,890** board feet. However the equivalent apprehended volume of Forest product to date had recorded **1,556.3** board feet or **20.58%** of the total target which **7,560** board feet for annual target

The strengthening of linkages and continuous coordination with other concerned agencies and the intensified forest protection activities undertaken by the Enforcement and Monitoring Section personnel of this Office resulted to the reduced volume and incidences of apprehension. Moreover, the filing of cases against the identified violators/perpetrators facilitated during the previous years has been a great factor in increasing the community is public awareness/realization re: the importance of forest in facing with the global warming and also the office seriously/efficient implementing our existing environmental laws and policies. Likewise, Information Education and Communication Campaign/Activities have been intensified and regularly being conducted.

Further, aside from patrolling, monitoring and surveillance activities, livelihood programs such as NGP projects were introduced and established within the four (4) municipalities under the jurisdiction of this Office. In addition, the reactivation of the Multi Sectoral Forest Protection Committee in the Municipalities of Bataraza and Sofronio Española which had encourage the involvement, support and active participation of other law enforcement and partner agencies has been crucial specifically in the determination and/or detection of existence/possibility of illegal activities in a particular area.

For her information and record.
