SUBJECT : **LIST OF FIELD OFFICES WITH ESTABLISHED SEEDLING
NURSERIES**

This has reference to the emailed Memorandum dated July 15, 2022 from FMB Director Tirso P. Parina Jr, CESO IV regarding above-cited subject. Please be informed that this office has no established nurseries before year 2021. Nurseries were only established by the partners/contractors for our NGP plantation establishment targets from year 2011 to 2021, however they are no longer operational because they were made-up of light materials.

Further, be informed that for this year, the office has an ongoing nursery establishment within premise of CENRO Puerto Princesa.

For information and record.
