

JULY 30, 2022

LORMELYN E. CLAUDIO, CESO IV

Regional Executive Director
DENR-MIMAROPA Region
Roxas Blvd., Ermita Manila

Dear RED Claudio:

This pertains to the apprehension legal/duly documented forest product made by some personnel of Provincial Environment and Natural Resources Office (PENRO) of Oriental Mindoro led by then PENRO Officer Mary June Maypa sometime March 2021 from Romeo Marasigan and Erwyne Requiño.

As a background information, an administrative hearing was conducted on July 7, 2021 in the said Office. The hearing was presided by Mr. LINO DIMAFILIS, Chief Enforcement Division - DENR MIMAROPA Region. The hearing lasted for 3 days because the team has to conduct on-site inspection of the cutting area and to visit CENRO Socorro to obtain essential documents relevant to the investigation.

We have been following up the results of the investigation which up to this writing, almost 14 months had already passed, yet we haven't received any reply from the previous leader, RED Ma. Lourdes Ondet, CESO III.

In the conversation my client Erwyne Requiño had with Mr. Dimafilis last October 2021, he assured my client that the report was already submitted to the office of the RED. He further said that the document was referred to the Legal Officer for review. But unfortunately, NO RESPONSE YET RECEIVED on the request of the undersigned which was submitted via LBC courier on September 18, 2021 and duly acknowledged that it has been received on September 20, 2021.

In this regard, may we request again that we be informed of results of the investigation and if possible be furnished copy of the document for reference of further action.

Thank you very much and more power to your administration.

Sincerely,

Atty. Ralph Anderson A. Rojas
