MEMORANDUM

FOR : The Regional Executive Director
DENR, MIMAROPA Region

THRU : The OIC, Assistant Regional Director for Technical Services

FROM : The OIC-PENR Officer

SUBJECT : **SUBMISSION OF SECOND QUARTER CY 2022
ACCOMPLISHMENT REPORT IN HANDLING OF MARINE
TURTLE IN THE PROVINCE OF MARINDUQUE**

Submitted is the Second Quarter CY 2022 Accomplishment Report in handling of marine turtle in the Province of Marinduque.

Based on the report, sixty (60) hatchlings of Olive Ridley (*Lepidochelys olivacea*) were found in the coastal area of Barangay Buangan, Torrijos, Marinduque near the house of Mrs. Gemma M. Dela Rosa who reported the incident to the DENR. Accordingly, the hatchlings were accidentally discovered during the cleanup of her backyard near the coastal area. The hatchlings were immediately released to the sea even without the presence of DENR personnel to avoid spoilage of the hatchlings.

Attached is the narrative report and photographs as ready references.

For information and record.
