**MEMORANDUM**

**FOR :** The Community Environment and Natural Resources Officer

**FROM :** Forest Technician II and Forest Protection Officer

**SUBJECT :** **PARTICIPATION ON MANGROVE TREE PLANTING AND FUN WALK IN CELEBRATION INTERNATIONAL MANGROVE DAY ON JUNE 26, 2022**

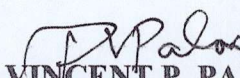

Respectfully submitted the report on Mangrove Planting Activities spearheaded by the Local Government of Culion, CFI, FishRight and GCash (G-Forest) which was participated by the undersigned Forest Technician II and Forest Protection Officer Ryan Aboratie assigned in the Municipality of Culion.

On July 26 2022, the Local Government of Culion in partnership with CFI, FishRight and GGash launched the GForest Project. The project aims to plant 2.3 million mangroves in the country. Culion thru the Baldat Fishermen and Farmers Association is luckily selected as one of the beneficiaries in the GForest Project which aims to plant 125,000 mangroves for the Municipality of Culion alone. With the strong support from the LGU, the project was launched and Executive Order legitimizing the annual mangrove planting was signed by the LGU officials and MoA between the LGU and partner NGOs.

Relative hereto, the DENR CENRO Calamianes was invited to join the activity and the undersigned participated and represented the office. Highlights of the activities area as follows:

- Funwalk on the morning of July 26, 2022 from municipal ground to Barangay Baldat;
- Followed by short program in Baldat Barangay Hall;
- On the afternoon of same date, mangrove planting was conducted in Women Managed Area were the undersigned and Forest Protection Officer assigned in this municipality participated and represented the DENR CENRO.

For information and record.
