DATE: 03-08-2022 CN 22-1006

This pertains to the submission of Community Resources Management Framework (CRMF) target for CYs 2019, 2020 and 2021. CRMF is the strategic plan used for the management and implementation of Community Based Forest Management (CBFM).

Based on record, the Province of Palawan has 37 CBFMA holders, of which 20 CBFMA holders had formulated/ submitted their CRMFs. However, only one CRMF was approved by the Central Office. The rest were returned to PENRO Palawan for revision/ completion of lacking requirements/ documents. As of this date, we haven't received yet any revised/ completed CRMFs.

The Executive Order (EO) No. 263, "*Adopting Community-Based Forest Management as the National Strategy to Ensure the Sustainable Development of the Country's Forestlands Resources and Providing Mechanisms for Its Implementation*", mandated that the DENR through its Community and Provincial Environment and Natural Resource Offices (CENROs/ PENROs), in coordination with the local government units shall, at all times, take into account the needs and aspirations of local communities whose livelihood depends on the forestlands.

To achieve this mandate, we have to ensure the timely delivery of services is observed by all of our personnel pursuant to Republic Act No. 11032, "*An Act Promoting Ease of Doing Business and Efficient Delivery of Government Services, Amending for the Purpose Republic Act No. 9485, Otherwise Known As The Anti-Red Tape Act of 2007, and for Other Purposes.*"

In view of the foregoing, you are hereby instructed to submit the revised CRMFs together with the lacking requirements within 15 days upon receipt hereof.
