SUBJECT : **REQUEST FOR A RE-ECHO ON BMB TECHNICAL BULLETIN

This has reference to the issued BMB Technical Bulletin No. 2022-22 dated May 10, 2022 "Guide in Mainstreaming the Integrated Coastal Management (ICM) Approach to the Local Government Units' Comprehensive Land Use Plan (CLUP)".

A national roll out on the said technical bulletin was conducted on July 11-16, 2022 in Olongapo, Zambales, however, it was attended only by the participants of the Water Quality Training cum Consultation Workshop on the Implementation of Water Quality Monitoring within NIPAS Marine Protected Areas.
