Respectfully forwarded is the memorandum of CENRO Puerto Princesa, Palawan dated November 24, 2022 relative the above subject.

Per memorandum, the apprehension was made on September 19, 2022 at around 9:00 A.M. at Purok Masagana, Barangay Irawan, Puerto Princesa City, Palawan by the Enforcement Personnel of CENRO Puerto Princesa. The apprehending team received an information that chainsaw sounds were heard at Purok Masagana. During the apprehension, the lookout individual was seen by the team who immediately fled going to the area where the chainsaw was heard. A hot pursuit happened and the two (2) persons escaped while the chainsaw operator was apprehended and identified as Peter Mike Dela Cruz Garzula.

In the apprehension area, the team measured the one (1) piece Gmelina lumber with a total volume of 40.83 board feet. However, the said lumber was left in the area due to difficulty of the terrain and hot pursuit operation for the chainsaw. Subsequently, the team focused their attention to the suspect who was then charged by inquest proceeding. A criminal complaint was filed by PCSDS against the suspect for violation of Section 7, paragraph 4 (Actual Unlawful Use of Chainsaw) of Republic Act 9175, otherwise known as "The Chainsaw Act of 2022." The said chainsaw was already turned-over to Palawan Council for Sustainable Development Staff (PCSDS). As such, no administrative hearing was conducted by CENRO Puerto Princesa. Attached is a photocopy of the Order of Honorable Judge Jocelyn Sundiang Dilig for temporary release of the accused Peter Mike Garzula Y Dela Cruz after posting of surety bond.

**SUBJECT** : **EVALUATION OF CASE REFERRED BY CENRO PUERTO PRINCESA FOR THE APPREHENSION AND CONFISCATION OF ONE UNIT OF CHAINSAW FROM PETER MIKE GARZULA y DELA CRUZ IN BARANGAY IRAWAN, PUERTO PRINCESA CITY**

---

### **SYNOPSIS**

On September 19, 2022, **PETER MIKE DELA CRUZ GARZULA**, resident of Barangay Irawan Puerto Princesa City was apprehended by CENRO Puerto Princesa for violation of Republic Act No. 9175 or the Chainsaw Act of 2002.

### **INTRODUCTION**

On September 19, 2022, the CENRO Puerto Princesa received information from a concerned citizen that there was an ongoing cutting of trees using a chain saw unit in Purok Masagana, Barangay Irawan, Puerto Princesa City.

### **DETAILS OF INVESTIGATION**

On September 19, 2022, the DENR CENRO through FTI Rommel Adato received information via cellphone call from a concerned citizen that there was an ongoing chain saw operation in Purok Masagana, Barangay Irawan, Puerto Princesa City.

To verify the veracity of the information, a team composed of **Jeffrey Modesto, Rommel Adato, Joshua Paed, Reymund Luna, Ryan Domondon** and other members was immediately assembled and deployed to the area.

Upon arrival at the reported area, the team heard a sound that seemed to be coming from a chain saw. The team immediately searched for the exact location of the sound. They eventually found a man not far from where the sound was coming from. However, before they had a chance to come nearer to the location of the man, he immediately ran away from the area. Based on their assessment, the said man served as a lookout.

Consequently, the Team continued their search and they found two individuals operating the chain saw unit. However, before they get even closer, the operators ran away. The team pursued the perpetrators and one of them was caught.

The Team immediately identified themselves as members of DENR-CENRO. Afterward, FTI Rommel Adato asked about his identity and identified himself as Peter Mike Dela Cruz Garzula, a resident of Barangay Irawan, Puerto Princesa City and he admitted that he is the owner and operator of the chain saw unit.

FTI Adato asked him again about the identity of his two companions who were able to escape. Peter Mike told FTI Adato that it is Mark Dela Cruz who was his helper and certain Alvin. Afterward, FTI Adato asked him if he has the Certificate of Registration (COR) of the chain saw unit and cutting permit and to present the same, however, Peter Mike could not present the COR. According to him, he bought the chain saw unit in an online shop.

As a consequence, FTI Adato informed Peter Mike that using an unregistered chain saw unit is a violation of Republic Act No. 9175 or the Chainsaw Act of 2002 and its Implementing Rules and Regulations, PCSD Administrative Order No. 07, as amended, which regulate and prohibits the use of an unregistered chain saw. FTI Adato further informed him that he also violates Presidential Decree No. 705 for cutting trees without a necessary cutting permit. Hence, the chainsaw unit is confiscated based on the said violation.

After the nature of his offense was explained to Peter Mike, FTI Adato immediately issued an Apprehension Receipt of Seized Items, while Forester Reymund Luna read to him his rights under the law. Afterwards, Forester Luna asked if he understood his rights, and Peter Mike responded affirmatively. The latter was also informed that they will take him to their office for filing an appropriate case for his violation.

On or about 9:30 in the morning, the Team decided to leave the area together with accused Peter Mike and the confiscated items from him. The chain saw unit was also turned over to the custody of the Palawan Council for Sustainable Development (PCSD) for proper disposition.

The whole operation, especially the apprehension and seizure of the chain saw unit, was duly documented through photographs taken by the member of the team, Ryan Domondon.

### **Violations**

Section 7 par. (4) of Republic Act No. 9175 or the Chainsaw Act of 2002 provides that:

*Actual Unlawful Use of Chain Saw. - Any person who is found to be in possession of a chain saw and uses the same to cut trees and timber in forest land or elsewhere except as authorized by the Department shall be penalized with imprisonment of six (6) years and one (1) day to eight (8) years or a fine of not less than Thirty thousand pesos (P30,000.00) but not more than Fifty thousand pesos (P50,000.00) or both at the discretion of the court without prejudice to being prosecuted for a separate offense that may have been simultaneously committed. The chain saw unlawfully used shall be likewise confiscated in favor of the government.*

As can be gleaned from above, the following are the elements of the offenses charged, to wit: ***(a) a person is found in possession of a chainsaw; (b) while in possession of the chainsaw, the person used the same to cut trees and timber in forest land or elsewhere; and (c) the use of the chainsaw was not authorized by the PCSD.***

**Anent the first element,** possession of the chain saw unit is established through **direct testimony** of the apprehending officers who had personal knowledge of the operation conducted that led to the apprehension of the person charged and the confiscation of the chain saw unit in his possession. Be it noted that at the time of their operation, the team heard a sound coming from the chainsaw unit not far from their location, and while searching the exact location by following the sound, they saw a man standing near the location of the operator, and before they had a chance to come nearer the unidentified man ran away. As the team continued their search, they found two individuals who were operating the chain saw unit, one of them being the accused.

The element of possession is also corroborated by the chain saw unit confiscated from **Peter Mike Dela Cruz Garzula**.

**As to the second element**, to reiterate, at the time of arrival of the DENR-CENRO team in the area, they heard a sound coming from the chain saw unit and they immediately search the exact location of the sound, and when they found the exact location they saw two individuals using the chain saw unit slicing gmelina tree and upon noticing their arrival the said individuals, one of them being the accused, immediately ran away to escape. Thus, the element of actual use is corroborated by photographs taken on site and the presence of the fresh-cut gmelina tree.

**Anent to the third and last element**, be it noted that upon the apprehension of Peter Mark, FTI Adato immediately conducted an on-site investigation. FTI Adato asked Peter Mike if the chain saw unit has an existing Certificate of Registration (COR) from the Palawan Council for Sustainable Development (PCSD). However, according to Peter Mike, the chain saw unit has no existing Certificate of Registration and is unregistered. Moreover, the absence of a valid permit is supported by the Certification issued by the PCSDS Permitting Section dated September 19, 2022, attesting to the fact the chain saw unit found in possession and actual use of Peter Mike Dela Cruz Garzula has no existing Certificate of Registration from the Palawan Council for Sustainable Development (PCSD).

**The absence of a COR is proof that the possession and use of the chainsaw are unauthorized.** Under Section 6 of RA No. 9175,

*Registration of Chain Saws. - Within a period of three (3) months from the effectivity hereof, all persons who own or are otherwise in possession of chain saws must register the same with the Department, through any of its Community Environment and Natural Resources Office, which shall issue the corresponding registration certificate or permit if it finds such persons to be qualified hereunder.*  
xxx

Further, the registration and issuance of a permit for use of a chainsaw in the Province of Palawan are under the jurisdiction of PCSD, as provided under Section 9 of the Chainsaw Act:

*In the Province of Palawan, the provisions of this Act shall be implemented by the Palawan Council for Sustainable Development pursuant to Republic Act No. 7611 or the Strategic Environmental Plan for Palawan*

To emphasize, Republic Act No. 9175 or the Chainsaw Act of 2002 penalizes the mere possession of a chainsaw without first securing the necessary permit from the DENR and in the Province of Palawan from the Palawan Council for Sustainable Development (PCSD).

S: Matapos noon ay hinanapan ko si Mr. Peter Mike Dela Cruz Garzula ng kaukulang dokumento gaya ng Certificate of Registration at Special Use Permit at iba para sa pag-gamit at pagtataglay ng chainsaw, at cutting permit para sa pagputol ng punong kahoy subalit walang siyang maipakitang kaukulang dokumento;

17. T: **Ano ang sumunod na nangyari? Kung mayroon man?**
- S: Ayon din sa kanya ay kanya lamang nabili ang chainsaw sa online shop. Habang kame ay nag-uusap ay agad na kumuha ng larawan ang aking kasamahan na si Ryan Domondon habang si Forester Reymund Luna at FR Dinmar Diaz naman ay nagsagawa ng pagsusukat ng kahoy na pinutol na isang Gmelina;
18. T: **Ano pa ang sumunod na nangyari, kung mayroon man?**
- S: Matapos noon ay agad na ipinaliwanag ko na ang paggamit ng chainsaw nang walang kaukulang dokumento gaya ng COR at SUP ay paglabag sa **Republic Act No. 9175 o Chainsaw Act at PCSD Administrative Order No. 07**, as amended at pagalabag naman sa Sec. 77 ng PD 705 ang pagputol ng punong kahoy na walang kaukulang permiso. Ipinaalam ko rin sa kanya na aming kukumpiskahin and nasabing chainsaw kasama na ang mga kahoy na kanilang pinutol at ang iba pa nilang kagamitan;
19. T: **Ano ang sumunod na nangyari? Kung mayroon man?**
- S: Gumawa ako ng Apprehension Receipt of Seized Items habang kinukunan naman ni FR Ryan Domondon ang buong pangyayari para sa kaukulang pagdodokumento at pagkatapos ay kinuha na niya ang mga kagamitan na aming kukumpiskahin;
20. T: **Ano ang sumunod na nangyari? Kung mayroon man?**
- S: Matapos noon ay sinabi ni Forester Reymund Luna kay Mr. Grasula and kanyang Karapatan (MIRANDA RIGHTS) at sinabi na siya ay isasama sa aming tanggapan para sa pagsasampa ng kaukulang kaso;
21. T: **Ano ang sumunod na nangyari? Kung mayroon man?**
- S: Noong humigit kumulang alas 9:30 nang umaga ay umalis na kami sa lugar kasama si Mr. Grasula at aking mga kasamahan at ang kanilang mga kagamitan na aming nakumpiska papunta sa aming Opisina sa DENR CENRO. Pagkatapos ay dinala namin sa opisina ng PCSD ang chainsaw at nahuling tao para sa pagsampa ng kaso;
- 22.. T: **Ano ang sumunod na nangyari? Kung mayroon man?**
- S: Pagkarating sa Opisina ng PCSD ay ibinigay namin sa kanila ang chainsaw at pinakita sa kanila ang nahuling tao. Pagkatapos noon ay sinamahan ni FR Jeffrey Modesto si Mr. Peter Mike Grasula pa sa pagkuha ng medical certificate habang ako at ang aking kasamahan ay gumawa ng affidavit;
23. T: **Pinatutunayan mo ba na ikaw ay hindi pinilit, tinakot, binayaran o tinuruan upang ihayag ang mga nakasaad dito?**
- S: Opo;
- 24.. T: **Handa ka bang lumagda sa dokumentong ito bilang patunay na ang lahat ng nakalahad dito ay pawang katotohanan lamang?**

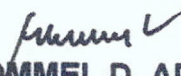

S: Opo;

25. T: Pansamantala ay wala na akong maitatanong sa iyo, may nais ka bang idagdag o ibawas sa iyong salaysay?

S: Wala na po sa kasalukuyan, ngunit kung mayroon man ay sa husgado ko na lamang sasabihin at para suportahan ang pagsampa ng kaukulang kaso para sa **paglabag sa Republic Act No. 9175 o Chainsaw Act**, at PD 705 "Revised Forestry Code of the Philippines" laban kina **Mr. PETER MIKE GRASULA Y DELA CRUZ** at kanyang mga kasaman.

1. **What:** Violation of RA 9175 and PD 705
2. **Where:** Purok Masagana, Brgy. Irawan, Puerto Princesa City.
3. **When:** September 19, 2022 at around 9:00 AM.
4. **Who:** **Peter Mike Dela Cruz Garzula**
5. **How/Why:** On or about 7:45 in the morning, FT I Rommel Adato received information that chainsaw sounds were heard at Purok Masagana, Brgy. Irawan, this City. The area has been under surveillance for almost three (3) months because of the reports of rampant illegal cutting of trees. Immediately, upon receipt of the report, the team was organized and the operation was done.

Upon arrival at the area, the team still heard the chainsaw sounds. The team went directly to the area where the sound was coming. While on the way going up to the forest, a lookout was seen who immediately fled going to the area where the chainsaw was heard. A hot pursuit happened and two persons escaped while the chainsaw operator was apprehended who identified himself as Mr. Peter Mike Dela Cruz Garzula. He was informed of his Miranda Rights by FT Reymond Luna.

In the area, the chainsaw was recovered and the freshly cut Gmelina tree was seen with a dimension of 7x7x10 lumber/logs with a total volume of 40.83 bd.ft. However, the two companions of the operator identified by him as Mark dela Cruz and Alvin whose family name is not known have fled. According to the operator, he was the owner of the chainsaw which was bought from Shopee for clearing purposes after Typhoon Odette. The chainsaw has no legal documents from PCSD.
