**FROM : THE OIC, PENR OFFICER**

**SUBJECT : ENDORSEMENT OF THE SANGGUNIAN BARANGAY  
RESOLUSYON BLG. 12-2022 OF BRGY. BANTO, MOGPOG,  
MARINDUQUE REQUESTING THE CONDUCT OF A  
GROUND SURVEY REGARDING THE POSSIBLE EXISTENCE  
OF SINKHOLES AND CAVE-INS IN THEIR POTABLE WATER  
WORKS PROJECT SITE**

**DATE : OCTOBER 14, 2022**

This is in reference to the Sangguniang Barangay Resolusyon Bilang 12-2022 of Banto, Mogpog, Marinduque received by this Office last 6 October 2022, expressing their concern regarding the situation of the potable water works of the barangay. This water project is the main source of potable water for the residents of Brgy. Banto and some residents of the surrounding barangays.

The landowner wants to relocate the project on account of their unease regarding the possible formation of sinkholes and cave-ins related the project. Moreover, they want to utilize the land for agriculture and livestock purposes. Presently, the barangay is still looking for alternative land for the relocation of the project and appropriating the necessary funds. To assuage the fears of the landowner during the planning and preparation for the project relocation, the Sangguniang Barangay requested the conduct of ground survey in the present project site from the concerned government offices.

In this regard, this Office is respectfully forwarding this concern to the Mines and Geosciences Bureau MIMAROPA Region for appropriate action/recommendation. Additional assistance and information concerning the water supply of the barangay would also be highly appreciated.

**RESOLUSYON BLG. 12- 2022**

**ISANG RESOLUSYON NG KAHILINGAN PARA MATULUNGAN ANG SANGGUNIANG BARANGAY PARA MAKAPAGSAGAWA NG SONAR SURVEY, SA LUPANG KINATATAYUAN NG PATUBIG (POTABLE WATER WORKS) NG BARANGAY.**

**SAPAGKAT**, ang Sangguniang Barangay ay walang pondo para magsagawa ng *sonar survey* sa lupaing kinatatayuan ng patubig sa Purok 1 na siyang pinagkukunan ng tubig ng mga mamamayan ng barangay at gayun din ng ilang mamamayan ng karatig barangay.

**SAPAGKAT**, ang nagmamay ari ng lupa ay nagpasyang ipaalis o ipalipat na ang patubig ng barangay sa kadahilanang siya ay may pangamba na magkaroon na ng sinkhole o magcave in na sa ilalaim ng lupa

**SAPAGKAT**, proyektong ito ay naitatag mula pa noong taong 2005 at ang nanunungkulang Kapitana noon ay si Gng. Presentacion N. Licon na siyang ring nagmamay ari ng lupa. At ayon pa sa kanya nais na nilang gamitin ang lupa sa agrikultura tulad ng pag-aalaga ng baboy at manukan.

**SAPAGKAT**, walang pondo para sa agarang paglipat ng patubig ang Sangguniang Barangay naki-usap sa may ari na bigyan ng sapat na panahon ang Sanggunian Barangay upang mapaglaanan ng pondo ang pagbili ng lupa na may magandang klase ng tubig na makukuha upang mapaglipatan.

**Dahil dito ay,**

**NAPAGKAISAHAN**, ng Sangguniang barangay na humingi ng tulong upang ipasuri ang lupang Kinatatayuan patubig ng barangay para sa kapanatagan ng isip ng may ari at sa mga umaasa sa patubig ng barangay.

**NAPAGPASYAHAN**, tulad ng ngayon ay ipinasya na mabigyan ng sipi ng resolusyong ito ang Provincial Environment and Natural Resources Office (PENRO), Department Interior and Local Government (DILG) at Department of Public Works and Highway (DPWH) para sa kanilang kabatiran at agarang aksyon.

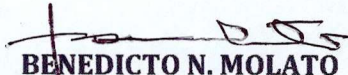

**PINAGTIBAY**, ngayong ika- ng 17 ng Setyembre 2022 sa ika-18 pagpupulong ng Sangguniang Barangay ng Banto, Mogpog Marinduque, sa mungkahi ni Kagawad Mariela N. Ola at pinangalawahan ni Kagawad Cezar N. Magante.

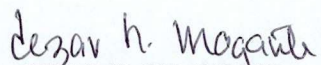

**PINATUTUNAYAN** ko ang kawastuhan ng resolusyong ito.
