<p>c. Kumusta ang ekonomikong kalagayan ng mga PO at mga miyembro/pamilya?</p>	<p>Ang mga family na nagtatrabaho at umaasa sa CBFM trabaho ay ok lang dahil patuloy ang aming trabaho sa CBFM na may pasahod at kapag na delay ang sweldo ay aming inaabunohan para wag mabitiin ang sahod. Sa ibang kasapi ay may self-help employment na dahil nakatapos na ang mga ilan sa anak ng kasapi at itong mga tapus ay nanakatulong narin sa mga acivity kahit snack suporta mula sa kanila kung may mga meeting at ibapa na kayang itulong ng mga new comers o anak.</p>
<p>Anu-anong mga kabuhayan ang sumagana? Bakit?</p>	<p>Ang sa CBFM po ay add income ito dahil karamihan sa amin ay may mga kanya kanyang hanap buhay at may matatag na family na. At mas maraming apportunityad kapag nagbukas na ang aming turism project dahil employment to members at non-members na pangarap.</p>
<p>Anu-anong mga naging pagbabago sa buhay ninyo mula nang magsimula ang program ng CBFM? Nakatulong ba ang programa ng CBFM sa pag-unlad nito?</p>	<p>Noong una po ay halus hirap kami sa simula lalot naging kalaban namin ang BLGU at LGU sa aming adhikain sa cbfm kaya hirap na hirap kami. Subalit sa tiyaga at at walang tigil sa cbfm na pangarap ay nakamit namin ang tagumpay at ang sarap sa pakiramdam dahil lahat ng nasa Govt. at iba pang nakapaliigid ay kilala ang aming tagumpay at katatagan na itoy naging daan ng kita , employment at iba pang pangkabuhayan at paggamit ng ating resources gaya ng tubig..</p>
<p>d. Naging kapaki-pakinabang ba ang CBFMA sa mga PO/pamilya? Paano?</p>	<p>Kapakipakinabang po dahil ngayon mayroon na kaming legal source ng tubig at turismong pang ekonomiya sa aming CBFMA-29. Na lalong nag improve ang pangkabuhayan. Maliban sa natural resources naming pakikinaabangan na aanihin na ng legal na pamaraan ay mayron din kaming harvesting ng planted trees na income ng asosasyon at kasapi. At malaki ang tulong ng aming CBFM ng bagyong Odette kasi siya ang naging sangalang sa malakas na hanging dumating sa aming lugar.</p>
<p>e. Anu-anong mga pagsubok ang patuloy na nararanasan ng mga CBFM PO hanggang ngayon? (Alalahanin ang mga resulta ng diskusyon dito sa Part 3)</p>	<p>Ang politiko lalo't pag hindi binoto ay problema. At ang mga renewal ng CBFM ay mahirap dahil sa FPIC na dapat saliksikin ng mabuti katulad ng binanggit ko sa itaas ng mga kasagutang ito pagkakasundo o revision ng batas na maging friendly.</p> <p>Na dapat ito ay COMMUNITY BASED sana sa DOLE register na PO ay wag i-desregard dahil kaya nga po COMMUNITY BASED program kung ano ang dapat na masmadaling abutin ng PO ay igalang importante. susumusunod sila sa wastong patakaran ng rules at sana ang hinaing ng DOLE POs ay mabago ang ibinabang order 2019 sa pagdisregard ng DOLE dahil sa just 10-5-22 MOA DENR SEC. AND DOLE na kinatigan ng ating Pangulo. (see exhibit sa FB na pinadala ko) .</p> <p>Na dapat na i-award o wag alisin sa CBFMA Map o karapatan ang CELSITE O any TELCOM. Dahil sa tagal na katuwang ng DENR ang CBFM sa ating kalkasan may maswering na ilan lang na dapat i-priority ang CBFM.</p> <p>Katulad ng sabi ko po gaya ng CARP kung may mga proposals na gawa ng POs dapat wag baguhin sa itaas o DENR dahil kami mismo sa community ay may plano na kaya naming gawin at lalo't mahirap ang POs na sayang ang oras sa pagpalit o pagbago ng proposal dapat suportahan nalang po sana dahil dapat magtipid ang asosasyon. Para may nakatagong pera o tipid sa pundo upang magamit sa ibang strategy.</p>

<p>Part 2. Anu-ano ang dapat bigyan ng pagpapahalaga sa bagong Strategic Plan?</p> <p>a. Base sa kalagayan ng rehiyon (Hal. May masaganang plantasyon, agroforestry bilang pinagkukunan ng mga produktong pambenta; walang paguho ng lupa; aktibong PO na napapanatili ang lehitimong personalidad; pagsisimula ng lehitimong kabuhayan; sumisibol at nahahasang mga kabataan bilang pinuno)</p>	<p>Dapat ang mga next liners natin ay matutu na sa gawain ng CBFM at value nito dahil sila ang mag aani ng mga pinaghirapan ng unang mga pundador ng CBFM. Itong next liners sa panahong ito ay may aani na ang mga proyekto ng forest resources, tubig at iba pang pag ani na magiging negosyo ng mga kasapi. Ang problema ng DOLE, issue sa IPs ma-lutas, mabilis na pag-apruba ng mga papeles tulad ng CRMF at iba pa, magkaroon ng karapatan sa mga CELSITE sa loob ng CBFM ng PO.</p> <p>Magkaroon ng mandatos sa DILG sa mga MLGU AT BLGU na suportahan ang CBFM program dahil ito'y tinaguriang national strategy ng DENR.</p>
<p>Anu-ano ang mga dapat bigyan ng atensyon sa susunod na 10 taon? (Hal. Pag-ani; pag-proseso; merkado; etc.)</p>	<p>Matulungang maging unang priority sa sa CARBON Program para lalong lumakas ang gawain ng POs lalo sa forest protection. Sana ang LAWIN project ay bigyan ng POs na sila ay may malaking part sa vision nito.</p> <p>Sa susunod na next 10 taon dapat sugan ang resolusyon 19 S.2022 na ang gagawing bill para sa kongreso upang maging batas ang CBFM ng magkaroon tamang direksyon ito at wala nang renew dahil malaki ang kaibahan ang ginawang pagsilbi ng maraming taon at national strategy ng DENR sa tenure na aming ipinagmamalaki ito sa ibang tenure.</p>
<p>Ano ang hinahangad na maging kalagayan ng mga CBFM area?</p>	<p>Pag maging bill na itong CBFM na aming hinahangad kahit matagal ma-aprobra ito'y magiging maganda para sa forest community hanggang sa next generation na atleast nasimulan.</p>
<p>Ano ang hinahangad na maging kalagayan ng mga organisasyon?</p>	<p>Kapag maisa batas ng ang CBFM ito'y hindi lang sa mga produktong gubat kundi mas maayos na employment sa mga kasapi lalo't marami na sa ating mga anak ay tapus na at dahil programang legal na walang agam agam sa anomang tenure.</p>
<p>Ano ang hinahangad na maging kalagayan ng mga pederasyon sa mga probinsya at rehiyon?</p>	<p>Pag magkaroon na ng batas ito'y mas madaling magplano o magsagawa at magkakaroon ng isang matatag na opisina para sa mga pangarap ng tagumpay lalo't patungkol sa ating kagubatang usapin. Sinimulan ng CBFM na DENR program.</p>
<p>Ano ang hinahangad na maging kalagayan ng mga miyembro at kanilang mga pamilya?</p>	<p>Mapalawak at mag multiply , palakas in maging matagumpay ang CBFM ideolohiya dahil design ito sa mahihirap na komunidad.</p>
<p>Ano ang dapat na mga gawin upang matupad ang mga hangarin para sa mga CBFM area, organisasyon, kabuhayan, at pamilya?</p>	<p>Dapat lahat ng kasapi ay magtutungan sa mga layunin upang laong magtagumpay ang PANGARAP.</p>
<p>Anong mga kakailanganin nating tulong mula sa iba upang matupad ito?</p>	<p>Mag kaisa ang mga POs gumawa ng resolusyon at ilabby sa bawat POs na may congressman upang suportahan upang ipasa sa congress at Senado upang suportahan itong bill ng CBFM at maisabatas.. Magpasa ng resolusyon. Sa DENR upang tulongan.</p> <p>Magpasa ng resolusyon sa tagapondo gaya ng FFP, NTFP, upang matulungan ng financial sa mga</p>

Ano ang mga dapat nating gawin upang mapanatili ang mga hangaring ito kahit wala ang tulong mula sa iba?	gagawing pulong o pagtatasa sa layuning ito. Magpasa sa UPLB ng resolusyon. Upang matulongang mag tasa sa CBFM bill na isusulong upang maisabatas.
Part 3. Mga Pagsubok at Pangani sa Kasalukuyan at Hinaharap	Ang karamihan ay ang FPIC at ang di pagkakaaunawaan ng mga ibang katutubo at dapat wag pabayaang mabilis na validation ng renewal ng CBFM. Dahil maunlad na ang CBFM sanay may nasa pamahalaan na gumawa ng panukala sa MIGRANT IPS bilang katutubong Filipino tayong lahat o ano mang batas pabor sa lahat na nagdevelop ng ating kagubatan bilang KATUTUBONG FILIPINO.
Maliban sa mga nabanggit sa Part 1, anu-ano pang mga pagsubok o panganib ang nakikita nyo sa susunod na 10 taon sa CBFM? <i>(Hal. tagtuyot, dagyo, mahinang bentahan, bago at mahigpit na polisiya, pandemya)</i>	Sa next 10 years kapag napabayaang ang CBFM ay tuluyang ng masisira ang gubat dahil CBFM lang ang POs na active sa pag kilos ng ikakabuti ng pag protekta at pagpapanatili ng gubat dahil sa CBFM ay dito makikita ang pinaka magandang portfolio tenurial instrument na gawad ng DENR at dapat i-intel ito upang malaman ang totoo kung sino talaga ang dedicated/nakataon.
Ano ang mga suhestiyon natin upang masolusyunan ang mga pagsubok at mga panganib?	Dapat matulungan ng Gobyerno ang pagsulong ng CBFM bill para maisa batas ito. At dapat ang DILG ay magmandatus sa MLGU AT BLGU suporta sa CBFM bilang national strategy ng DENR (example during COVID ang DILG pag utos sunod agad.) Na dapat ang need ng community ay tulongan (DOLE issue)
Part 4. Ang Mga Kinatawan ng Rehiyunal na Pederasyon ng CBFM PO	Bagamat matagal ang pagsasabatas ay kahit papano may direksyon tayo sa pangarap ng CBFM na ang mga kinatawaan ng bawat pederasyon ay magkakaroon ng responsibilidad sa pangarap naito gumawa ng resolusyon sa pagsuporta..
Sinu-sino ang mga ipapadalang kinatawan ng rehiyon sa Island-Based Consultative Workshop?	Pangulo o representative.
Anong mga biin sa mga kinatawan na dadalhin sa Island-Based Consultation Workshop?	Produkto ng assosayon.
Anong mga produkto ng POs ang ipapakita at ibebenta sa Island-Based Consultation Workshop?	Gawa ng POs.

THE CRAFTING OF THE UPDATED CBFM STRATEGIC PLAN
2023-2032**

DATE : OCT 12 2022

This has reference to this Office's plans and activities relative to the Updating of CBFM Strategic Plan which was targeted this year with Yakap Kalikasan Tungo sa Kaunlaran ng Pilipinas, Inc. as the Assisting Professionals and lead facilitators for the said activity. The Yakap Kalikasan also sought and obtained the support of the Forest Foundation Philippines (FFP), a member of the CBFM-National Working Group, for in-person consultation and planning workshops through the project "*Supporting Community & Regional Consultations for the Updating of the 25-Year CBFM Strategic Plan*". These face-to-face sessions will bring the key CBFM players and stakeholders together in sessions where each one can actively share ideas, and work together in small discussion groups and plenaries just like in the past. Through this, the strategic plan is deemed to become more practical and feasible for the CBFM POs, DENR, and support agencies and institutions.

In line with this, the Updating of the CBFM Strategic Plan will entail different consultation workshops which require the participation of selected DENR field office personnel whose functions are closely related to CBFM including representatives from the Regional CBFM PO Federations. Below are the schedules of the said consultations, to wit:

EVENTS/REGIONS	DATE	VENUE
Regional PO Consultations	Scheduled prior to the respective cluster consultation workshops	Per Region
Mindanao Cluster Consultative and Planning Workshop (Regions 9, 10, 11, 12 and 13)	17-21 October 2022	Butuan City
Visayas Cluster Consultative and Planning Workshop (Regions 5, 6, 7 and 8)	24-28 October 2022	Bohol
Luzon Cluster Consultative and Planning Workshop (Regions CAR, 1, 2, 3 and 4A)	7-11 November 2022	Subic

In this regard, may we request your Office to participate and extend necessary assistance needed in the conduct of the said activities. The specifics and other logistical arrangements before the conduct of the activity will be coordinated by the team from Yakap Kalikasan and Community Forestry Section personnel of this Office through the Regional CBFM Coordinator.

FOR INFORMATION AND CONSIDERATION, PLEASE.
