Respectfully forwarded is the memorandum dated November 11, 2022 of PAMO-RIWS, Protected Area Superintendent, Ma. Teresa V. Ayson regarding the above-cited subject.

Please be informed that the PAMO-RIWS produced three (3) copies of photo checklist of Wildlife as CEPA materials.

Further informed that some photos of wildlife species found in Rasa Island Wildlife Sanctuary are only taken on the internet due to the non-availability of cameras with telephoto lens to take high definition quality of pictures. Hence, this Office is requesting underwater camera and camera with telephoto lens for more quality pictures.

For your information, record and consideration.

Quezon, Palawan

FROM : The Protected Area Superintendent

SUBJECT : **SUBMISSION OF PHOTO CHECKLIST OF WILDLIFE
SPECIES AS CEPA MATERIALS OF RASA ISLAND
WILDLIFE SANCTUARY NARRA, PALAWAN**

Respectfully forwarded herewith the four (4) copies of photo checklist of Wildlife Species produced by PAMO-RIWS Narra, Palawan as CEPA materials.

Please be informed that some photos of wildlife species are only taken on the internet due to the non-availability of cameras with telephoto lens to take high definition quality of pictures of wildlife species found in Rasa Island Wildlife Sanctuary. Please be informed further that for documentations attached in some of our reports we used only our own cell phone with shoddy cameras. Hence, with these shortcomings of our Office we will be lucky if you can provide us camera with a telephoto lens and underwater camera so that we can give more quality photos for the near future.

For his information, comments, suggestion and approval.
