**MEMORANDUM**

**FOR** : The In-charge, Office of the PENRO  
Oriental Mindoro

**THRU** : The Chief, CDS

**FROM** : The CDS Personnel/Forester I

**SUBJECT** : **SUBMISSION OF REPORT ON THE CONDUCT OF  
MONITORING AND EVALUATION OF ACTIVITIES UNDER  
COASTAL AND MARINE ECOSYSTEM MANAGEMENT  
PROGRAM (CMEMP) FOR THE FOURTH (4<sup>TH</sup>) QUARTER OF  
CY 2022**

Submitted is the report of PENRO Oriental Mindoro thru the CDS on the conduct of monitoring and evaluation of activities under CMEMP and other related programs for the fourth (4<sup>th</sup>) quarter for CY 2022.

Please be informed of the following accomplishments of this Office for the last quarter of the year, to wit:

**I. Conduct of Technical Assistance on the Formulation of Action Plan for Verde Island Passage for CY 2023**

Please be informed that a Verde Island Action Plan for CY 2023 has been crafted. A total of eight (8) municipalities are within the Verde Island Passage. All the activities identified in the Action Plan are funded for implementation next year, CY 2023. Further, these activities are focused on the protection and management of 28 Marine Protected Areas (MPAs) locally managed by concerned municipalities. Among these municipalities, Pinamalayan has the highest fund of Php26,490,000.00 while Gloria has the lowest fund allotted in the Action Plan.

**II. Conduct of Conduct of Technical Assistance to the Municipality of Bulalacao on the Formulation of the Integrated Coastal Management Plan**

For this quarter, this Office together with the Provincial Government of Oriental Mindoro and Municipal Government of Bulalacao, the outputs were consolidated in preparation for the next activity which is the writeshop. However, due to conflict in schedule and workloads for this quarter, the writeshop shall be done on the first quarter of CY 2023.

The consolidated outputs is submitted for reference to the next activities for next year.

### **III. Monitoring of the Biodiversity-Friendly Enterprise – Maidlang Mangrove Conservation Ecopark**

Based on the result of the monitoring, the SBBM President Mr. Alcantara has discussed some updates regarding the status of the Organization. He also reported and presented the status of the financial solicited from other offices for the renovation of the facilities of the Organization. The funds that will be solicited shall be used for the improvement of damaged facilities. In addition, the officials of SBBM promised that they will do their best to have good and better facilities for the Organization and sought the support of the DENR in all their activities

### **IV. Coordination with the municipalities within Verde Island Passage regarding the conduct of Protected Area Suitability Assessment (PASA) for the inclusion in ENIPAS**

This Office have coordinated with the municipalities of Puerto Galera, San Teodoro, Baco, Calapan City, Pola, Pinamalaayn and Gloria regarding the conduct of Protected Area Suitability Assessment (PASA) activities for the establishment of Verde Island Passage under ENIPAS. Scheduling of the orientation for the LGUs were also conducted.

### **V. Participation to the technical meeting of Oriental Mindoro Resource Monitoring Team (ORMT), the technical arm of Oriental Mindoro MPA and Fishery Law Enforcement Network for the Scheduling of Activities for CY 2023**

Kindly be informed that the technical meeting of Oriental Mindoro Resource Monitoring Team (ORMT), the technical arm of Oriental Mindoro MPA and Fishery Law Enforcement Network was attended by the Coastal and Marine Focal, Forester Bea Natasha Fortu, on November 8, 2022. One of the agenda of the said meeting was the scheduling of MPA monitoring and habitat assessment for CY 2023. This Office through the have committed all the licensed divers (Greenfins Assessors) as additional manpower in the conduct of the monitoring activities for next year. These activities include coral reef, seagrass and mangrove habitat assessment.

### **VI. Updating of the matrix for the Greenfins database**

The matrix for the Greenfins database has been updated by the CMEMP EO Movin L. Tandang. Data being updated were profile of the assessors, dive logs and dive equipment. Further, this shall be submitted to the Regional Office - Coastal and Development Division for their reference.

### **VII. Production and distribution of additional IEC collaterals – t-shirt with Greenfins logo**

Please be informed that a total of 85 pcs of t-shirt with Greenfins logo were produced and distributed to all PENRO employees and other partner stakeholders in Puerto Galera. This is in addition to the distributed and produced IEC collaterals/materials under the said program.
