CAMPAIGN AT SO. BALISUNGAN, BARANGAY TAGUMPAY,
CORON, PALAWAN**

Pursuant to the implementation of Green Economy Model (GEM), the CENRO Coron GEM personnel conducted Information Education and Communication (IEC) Campaign on November 3, 2022 at Sitio Balisungan, Bgy. Tagumpay, Coron, Palawan.

Said activity was actively participated by 35 individuals with 20 females and 15 males from local residents of coastal community of Bgy Tagumpay, Barangay officials, SHALOM's Women Biodiversity Cooperative, Indigenous People and CENRO Coron personnel.

The participants were discussed about the attitudes and practices regarding waste disposal on their households. Some of the good practices they have identified were the segregation of waste materials into biodegradable and non-biodegradable, the use of banana leaves for packaging of "kakanins", and the use of "bayong" when going to the market. Noteworthy practice of members of SHALOM's Women BCA is the regular conduct of coastal clean-up drive.

After each presentation, they were discussed about the proper waste disposal and the importance of waste segregation at source. Moreover, they were commended and encourage to continue the good practices they have identified above.

Geotagged photos and attendance are attached.
